

Over The Garden Wall - Frog's Lullaby

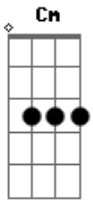

tom:
 Bb
 At night, when the lake, is a mirror
 Bb Cm
 And the moon rides the waves to the shore
 D7 Gm
 A single soul sets his voice singing
 Cm F
 Content to be slightly forlorn
 Bb Cm
 A song rises over the lilies
 Dm Cm
 Sweeps high to clear over the reeds
 D7 Gm
 And over the bulrushes' swaying
 Cm F

To pluck at a pair of heartstrings
 F Bb
 Two voices now they are singing
 A7 Dm
 Then ten as the melody soars
 Ab Gm Cm
 Round the shimmering pond, all are joining in song
 Cm Fm
 As it carries their reverie on
 Bb Cm
 Over the treetops and mountains
 Dm Cm
 Over the blackened ravines
 D7 Gm
 Then softly it falls by a house near a stream
 Cm F
 And over the garden wall
 Bb
 To thee
