Intro: E E A A

[Primeira Parte]

Oh, potatoes and molasses  
If you want some, oh, just ask us  
They're warm and soft like puppies in socks  
Filled with cream and candy rocks

[Segunda Parte]

Oh, potatoes and molasses  
They're so much sweeter than algebra classes  
If your stomach is grumblin'  
And your mouth starts a-mumblin'

There is only one thing  
To keep your brain from crumblin'  
[Terceira Parte]

Oh, potatoes and molasses  
If you can't see 'em, put on your glasses  
They're shiny and large like a fisherman's barge  
You know you've eat enough  
When you start seeing stars

[Quarta Parte]

Oh, potatoes and molasses  
It's the only thing left on your task list  
They're short and stout to make everyone shout  
For, potatoes and molasses
