

Owen Temple - Driving Myself Crazy

Tom: **Bb**

(com acordes na forma de **A**)
 Capotraste na 1ª casa
 Capo on 1st fret

A
 Well I guess it's been some time
D
 Since my feet been on solid ground
A
 They've been hovering over the road
E
 That my wheels keep rollin' down
A
 And I bet you that these truckers
D
 They must wonder who I am
A
 To keep speedin' past 'em up the road
E
 And heading right back down again

D **E**
 And it's all that I can do
A

Just to keep it between the lines
D **E** **A**
 The hum of the road keeps humming through my mind
D **E** **A** **Gbm**
 After this many miles it all gets a little hazy
A
 I've been here before
E **A**
 I'm just driving myself crazy
 A locomotive blowin' smoke and flittering in the sun
 Raced me by the road and I'm proud to say I won
 But maybe I lost 'cause I don't know what its worth
 To keep spinning these wheels along
 With the spinning of the earth

Chorus

This road is a raging river
 And I just follow where it leads
 I don't pay too much attention
 To those old trucks in the weeds
 Rusting at the junkyards on the outskirts of town
 But this old truck's still running
 I got no time to slow it down
