Tom: E

(com acordes na forma de D)
 Capotraste na 2ª casa
 Capo on 2nd fret

D Just a little way down **G** Mount Bonnel Road
A There's a little place where the beer is cold **D**

D Dry Creek café and dock **G**
A No place better come five o'clock **D**

Just off the lake a two story bar
 You know you're there when you see the cars
 Lined up and parked along
 Jukebox playing a Guy Clark song

A I wanna go down to Dry Creek

Em Down among the live oak trees

A No playin' cards or leavin' bottles around

G You can sit on the dock and watch the sun go down **A** **D**

There's a weathered deck right upstairs
 A few odd tables and rusty chairs
 Spring days when the hills are green
 Feel the Texas sun warm on your skin
 Ain't it good to be back again
 People's voices with the swaying trees
 Honeysuckles on a gentle breeze

Sara owns the place and she lives in a shack
 A green trailer parked out back
 High dollar condos are closin' in
 And she ain't thinking 'bout giving in
 Rumors go around with the offers they make
 For the little piece of land there by the lake
 She tells 'em all to go to hell
 After fifty years she ain't gonna sell

So if you want to keep the bulldozers back
 Stop and get a drink at the Dry Creek shack
 Watch Lake Austin and a big blue sky
 You won't ever have to ask me why
