

Owen Temple - House Of Cards

Tom: C

We live in a house of cards so tall
 It looks fine on the outside but it's bound to fall
 But the looking good is easy
 It's the feeling good that's hard
 And this house is just a house of cards
 We've been bluffing each other for almost seven years

We both put on our best poker face
 But inside we're filled with tears
 I bet our love and lost in too many other secret games
 Now the love is spent and just the marriage remains

Chorus

You wear a diamond but you've got a broken heart
 We look like the perfect pair but we're far apart
 It just a matter of time until the shiny surface fades
 And all that I've done wrong pays back in spades

Acordes
