

# Owen Temple - I Wrote You A Waltz

Tom: C

C  
 You heard I was lonely  
 G C  
 I heard you were blue  
 F C  
 I heard a song in my head  
 C G  
 I wrote it down here for you

C  
 It's nothing too fancy  
 G C  
 Just a few rhyming lines  
 F C  
 It's just something to tell you  
 G C  
 That you're on my mind

F  
 I wrote you a waltz  
 C

I wrote it so you could see  
 C  
 That I don't feel like dancing  
 C G  
 Unless you're dancing with me  
 C  
 You know that I love you  
 F C  
 Won't you give me your hand  
 C G C  
 I wrote you a waltz so that you'd understand

We've spent time together  
 We've spent time on our own  
 I'm tired of spending my money  
 On a long distance phone

There's no doubt that with dancing  
 Two's better than one  
 So come on dancing partner  
 The song's just begun

Chorus

## Acordes
