But at least I enjoyed becoming unemployed
 I woke up at the crack of noon

E A E
 That?s one less thing to worry about

E B7 E
 Work was a jail and I busted out

E A
 I got time on my hands and there ain?t no doubt
 That?s one less thing to worry about

There was a new girl in town
 And I seen her around
 She was the prettiest thing I?d seen
 I had a plan in mind
 How to make her mine
 At the fair out in Abilene

Well I won her a prize
 And I looked in her eyes
 I thought that love I saw there was real
 But on a ride in the sky
 She met another guy
 Left me standing by the ferris wheel
