(com acordes na forma de C)
 Capotraste na 4ª casa
 Capo 4

C G Am F
 This old skyline takes me back to another time
 C G
 Years ago in San Antonio I was yours and you were mine
 C G Am F
 It's been a while I hope you doing well
 C G
 I'm doing fine as far as I can tell

I recall a Sunday by the Riverwalk
 You and me just walkin around
 Music filled the evening air on the streets of old downtown
 We guessed about the days to come
 The laughter and the tears
 Since that time so much has changed
 I haven't heard from you in years

Am G
 When I'm passin through
 Am G

I always think of you
 F C Am
 Are you with someone are you all alone
 G F
 I think of you when I hit San Antone

Sometimes Lord you can't help But think what might have been
 Would we do it all over just to do it all again
 F
 Sittin by that fountain is a sweet memory
 When you pass by that fountain do you ever think of me

CHORUS

Em F C
 By the bank of the river I held your hand
 Em F
 C
 There was a distance even then that I couldn't understand
 Em F C
 I loved you more than I'd ever loved before
 G F
 I loved you though you said I can't see you any more

CHORUS

G F
 Yeah I think of you when I hit San Antone
