Tom: Eb

(com acordes na forma de Capotraste na 1ª casa D)
Intro: A Em G D (2x)

Verso:

A Bm G
Through the glass in my bedroom window,
G
In the bushes far below,
A Bm G
I thought I saw an unfamiliar shadow,
G
Among the ones I so clearly know.

Ponte:

Em G A
I've been sleeping with the nightlight unplugged,
A
With a note on the rocking chair,
Em G A
That says I'm dreaming of the life I once loved,
A
So wake me if you're out there.

Refrão:

G A
Living close to the ground,
Bm E
It's seventh heaven because there are angels all around,
G A

Among my frivolous thoughts,

D G Em A
I believe there are beautiful things seen by the astronauts.
D G
So wake me if you're out there!

(Intro)

(Verso)

(Ponte)

(Refrão)

Bm A G
I keep my knees black and blue 'cause they often hit the
hardwood floor,

And I believe, so I'm not praying to the ceiling anymore.

(Ponte)

(Refrão)

Outro:

So if you're dying to see,

I guarantee there are angels around your vicinity
