

Owl City - Honey And The Bee

Tom: **C**

Intro: **C F**

Verso 1:

Don't remind me that someday I'm a windshield **C F**

And other days I'm just a lucky bug **C**

As cold iron rails

Leave old mossy trails through the countryside **Dm Em F G C**

Verso 2:

The crow and the bean field **C F**

Are my best friends but boy I need a hug (boy I need a hug) **C**

Cause my heart stops without you

There's somethin' about you that makes me feel alive **Dm Em F G F**

Refrão:

If the green left the grass on the other side **F G Am**

I would make like a tree and leave **F G C**

But if I reached for your hand would your eyes get wide **F G Am**

Who knew the other side could be so green **F G C**

Verso 3:

Don't remind me, I'm a chickadee in love with the sky **C F**

But that's clearly not a lot to crow about **C**

Cause when the stars silhouette me

I'm scared they'll forget me, and flicker out **Dm Em F G C**

Verso 4:

I taste honey but I haven't seen the hive **C F C**

Yeah I didn't look, I didn't even try

But still my heart stops without you

Cause of something about you that makes me feel alive **Dm Em F G F**

(Refrão)

Ponte:

(00000h) We are the honey and the bee (00000h) **Am G F Am G F**

Backyard of butterflies, surrounded me **Em F G**

And I fell in love with you, like bees to honey **Em F G**

So let's up and leave the weeping to the willow tree **Em F G Am**

And pour our tears in the sea **Em F G**

I swear, there's a lot of vegetables out there, that crop up for air **Dm C G F Am**

And yet I never thought, we were two peas in a pod **G Am C G F**

'Till you suddenly bloomed and I knew **F Am G**

That I'd always love you **F Am G**

Oh I'll always love you too **F Am G**

(Refrão)

Refrão:

If the green left the grass on the other side **F G Am**

I would make like a tree and leave **F G C**

But if I reached for your hand would your eyes get wide **F G Am**

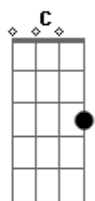

Who knew the other side could be so green **F G Am**

And if I reached for your hand for the rest of my life **F G C**

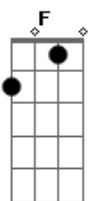

Who knew the other side could be so green **F G C**

(**C**)
