

Owl City - If My Heart Was a House

Tom: D

Verso 1:

You're the sky that I fell through
 And I remember the view
 Whenever I'm holding you
 The sun hung from a string
 Looking down on the world as it warms over everything
 Chills run down my spine
 As our fingers entwine
 And your sighs harmonize with mine
 On this day complete
 I can still feel your heart beat fast when you dance with me

Pré-Refrão:

We got older and I should've known (Do you feel alive?)
 That I'd feel colder when I walk alone (Well, but you'll survive)

So I may as well ditch my dismay
 Bombs away
 bombs away

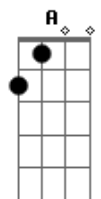

Refrão:

Circle me and the needle moves gracefully
 Back and forth
 If my heart was a compass you'd be north
 Risk it all cause I'll catch you if you fall
 Wherever you go
 If my heart was a house you'd be home

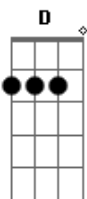

Verso 2:

It makes me smile because you said it best
 I would clearly feel blessed if the sun rose up from the west
 Flower balm perfume, all my clothes smell like you
 Cause your favorite shade is navy blue
 I walk slowly when I'm on my own (Do you feel alive?)
 Yeah, but frankly I still alone (Oh, but you'll survive)
 So I may as well ditch my dismay
 Bombs away, bombs away
