

Owl City - Lonely Lullaby

Tom: C

^D ^{Am} ^G
Symphony of silver tears,
^D ^C ^G
Sing to me and sooth the ring in my ears,
^D ^{Am} ^G
Overcast these gloomy nights wear on,
^D ^C ^G
But I'm holding fast because it's darkest just before the dawn.

^{Am} ^F ^C
I sang my princess fast asleep,
^G ^{Am}
'Cause she was my dream come true,
^F ^C ^G
Oh Annmarie, believe me, I loved you.
^{Am} ^F ^C
But now those lonely lullabies,
^G ^{Dm}
Just dampen my tired eyes,
^F ^G
Because I can't forget you.
^{Dm} ^F ^G
Because I can't forget you.

^D ^{Am}
I'll dissolve when the rain pours in,
^C ^G
When the nightmares take me,
^D ^{Am}
I will scream with the howling wind,
^C ^G
'Cause it's a bitter world and I'd rather dream.

(D Am C G) (2x)

^D ^{Am} ^G
Dizzy love turned a star lily pink,
^D ^C ^G
And hung above our lids too flushed to blink,
^D ^{Am} ^G
But icy blue froze the fairytale cold,
^D ^C ^G
Though I treasured you and you sparkled with someone to hold.

^{Am} ^F ^C
I sang my princess fast asleep,

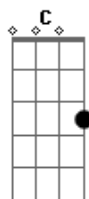

^G ^{Am}
'Cause she was my dream come true,
^F ^C ^G
Oh Annmarie, believe me, I loved you.
^{Am} ^F ^C
But now those lonely lullabies,
^G ^{Dm}
Just dampen my tired eyes,
^F ^G
Because I can't forget you.
^{Dm} ^F ^G
Because I can't forget you.

^D ^{Am}
I'll dissolve when the rain pours in,
^C ^G
When the nightmares take me,
^D ^{Am}
I will scream with the howling wind,
^C ^G
'Cause it's a bitter world and I'd rather dream.
^D ^{Am}
I'll dissolve when the rain pours in,
^C ^G
When the nightmares take me,
^D ^{Am}
I will scream with the howling wind,
^C ^G
'Cause it's a bitter world and I'd rather dream.

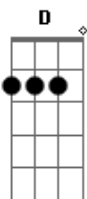

(D Am C G)
I'd rather dream...

^F ^{Am} ^G
Annmarie... I'll never forget you.
^F ^{Am} ^G
Annmarie... I'll never forget you.
^F ^{Am}
Annmarie, remember me?
^G
I'll never forget you.
^F ^{Am}
Annmarie, remember me?
^G
I'll never forget you.
^F ^{Am}
Annmarie, remember me?
^G ^F
I'll never forget you.
