

# Owl City - Lonely Lullaby

Tom: C

<sup>D</sup> Symphony of silver tears,  
<sup>D</sup> Sing to me and sooth the ring in my ears,  
<sup>D</sup> Overcast these gloomy nights wear on,  
<sup>D</sup> But I'm holding fast because it's darkest just before the dawn.

<sup>Am</sup> I sang my princess fast asleep,  
<sup>G</sup> 'Cause she was my dream come true,  
<sup>F</sup> Oh Annmachie, believe me, I loved you.  
<sup>F</sup> But now those lonely lullabies,  
<sup>G</sup> Just dampen my tired eyes,  
<sup>F</sup> Because I can't forget you.  
<sup>Dm</sup> Because I can't forget you.

<sup>D</sup> I'll dissolve when the rain pours in,  
<sup>C</sup> When the nightmares take me,  
<sup>D</sup> I will scream with the howling wind,  
<sup>C</sup> 'Cause it's a bitter world and I'd rather dream.

( D Am C G ) (2x)

<sup>D</sup> Dizzy love turned a star lily pink,  
<sup>D</sup> And hung above our lids too flushed to blink,  
<sup>D</sup> But icy blue froze the fairytale cold,  
<sup>D</sup> Though I treasured you and you sparkled with someone to hold.

 I'd rather dream...

<sup>F</sup> Annmachie... I'll never forget you.

<sup>F</sup> Annmachie, remember me?  
<sup>G</sup> I'll never forget you.
