

# Owl City - The Saltwater Room

Tom: C  
Intro: F C F Am7 F

F C  
I opened my eyes last night and saw you in the low light  
F Am7 G  
Walking down by the bay, on the shore, staring up at the planes that aren't there anymore  
F C  
I was feeling the night grow old and you were looking so cold  
F Am7  
Like an introvert, I drew my over shirt  
C G F  
Around my arms and began to shiver violently before  
C  
You happened to look and see the tunnels all around me  
F Am7  
Running into the dark underground  
G  
All the subways around create a great sound  
F C  
To my motion fatigue: farewell  
C  
With your ear to a seashell  
F  
You can hear the waves in underwater caves  
Am7 G C  
As if you actually were inside a saltwater room

(F, C, F, Am7 )

REFRÃO:

G F C  
Time together isn't ever quite enough  
F  
When you and I are alone, I've never felt so at home  
G F C  
What will it take to make or break this hint of love?  
F  
We need time, only time  
G F C  
When we're apart, whatever are you thinking of?  
F  
If this is what I call home, why does it feel so alone?  
G F C  
So tell me darling, do you wish we'd fall in love?

G  
All the time, all the time  
F C  
Can you believe that the crew has gone and wouldn't let me sign on  
F Am7 C  
All my islands have sunk in the deep, so I can hardly relax or even oversleep  
F C  
I feel as if I were home some nights, when we count all the ship lights  
F Am7  
I guess I'll never know why sparrows love the snow

We'll turn out all of the lights and set this ballroom aglow
