Dear friends in higher places

Carry me away from here

G D Em C  
Birds-eye view, awake the stars 'cause they're all around you  
G D Em C  
Wide eyes will always brighten the blue  
G D Em C  
Chase your dreams, and remember me, sweet bravery  
'Cause after all those wings will take you, up so high  
D G C  
So bid the forest floor goodbye as you race the wind  
D G D C

And take to the sky (you take to the sky) Da Da...

(verso 2) (igual ao verso 1)

On the heels of war and wonder  
There's a stormy world up there  
You can't whisper above the thunder  
But you can fly anywhere

Purple burst of paper birds  
This picture paints a thousand words  
So take a breath of myth and mystery  
And don't look back

(refrão)

Birds-eye view, awake the stars 'cause they're all around you  
Wide eyes will always brighten the blue  
Chase your dreams, and remember me, sweet bravery  
'Cause after all those wings will take you, up so high  
So bid the forest floor goodbye as you race the wind  
And take to the sky (you take to the sky)

(ponte)

C G  
There's a realm above the trees  
D  
Where the lost are finally found  
C G  
Touch your feathers to the breeze  
D  
And leave the ground

(refrão 2x)

Birds-eye view, awake the stars 'cause they're all around you  
Wide eyes will always brighten the blue  
Chase your dreams, and remember me, sweet bravery  
'Cause after all those wings will take you, up so high  
So bid the forest floor goodbye as you race the wind  
And take to the sky (you take to the sky)
