

Oyefish - Oh, So Dirty

Tom: C

Am G
I was not welcome there inside your house
Am G
Unless you had spilt milk down to the ground
Gb Bm
I learned that I was not aloud to shout
E A Bm F E
But when someone arrived I did it loud
A Bm F E
Oh, so dirty
Bm Dm
I learned that bottles were enough to play
A Gb
I learned that I could be alone all day
Bm Dm
I tried to stay awake in case you came
E A Bm F E
Don't matter how late I was always there
A Bm F E
Oh, so dirty

[Solo] Bm Dm A Gb Bm Dm E A

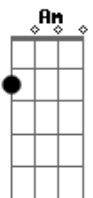

Bm F E A Bm F E A

Am G
A cigarret or two could make you stay
Am G
I never understood what was that taste
Gb
And if they were your friends
Bm
They were my friends
E A Bm F E
Of all those friends I've made you were my best
A Bm F E
Oh, so dirty
Bm Dm
And when you hear me cry under the rain
A Gb
Remember that we're not alone out there
Bm Dm
Nobody is perfect, we both make mistakes
E A Bm F E
I know you loved me and you always care
A Bm F E A Bm F E
Oh, so dirty, oh so dirty
