Dm A Dm
Deus grandioso ser jamais criado,
C7 F
Princípio e fim não delimitam Tua história,
A Bb
Excelso Espírito, supremo e iluminado,
A D
Pai excelente santo e puro em áurea glória.
A D
Como explicar-te a criatura que é tão breve,
Gb Bm
Que esculturaste da poeira esquecida,
G A G
Mas adorar-te é o que se pode e o que se deve,
D A G D
Na gratidão de quem do nada deste a vida.

Dm A Dm
No princípio era o Verbo e o Verbo era,
C7 F
Sublime parte de Ti mesmo que fluía,
A Bb
E quando alçaste pelo cosmo a grande esfera,
A D
Traçaste o plano da perfeita harmonia.
Dm A Dm
Deus, na apoteose da verdade,
C7 F
A Via láctea estendeste no espaço,
A Bb
E aos turbilhões constelações de eternidade,
A D
tu colocaste em ornamento dos teus passos.
