

Ozéias de Paula - Eu Sinto No Ar

Tom: G

Eu sinto no ar a presença do amor brilhando no
 Espaço numa festa de cor. eu sinto no mar nos
 rochedos
 Mil na ave que voa ou na flor que se abriu

Refrão:

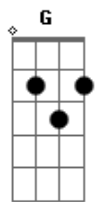

Eu sinto no ar a presença do amor
 E o intenso fulgor dos raios seus
 Eu sinto no ar a presença do amor

Eu sinto a existência de deus.

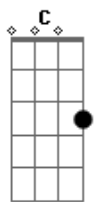

Eu sinto no sangue que corre em mim
 Por meu corpo inteiro por sentir assim.
 Eu sinto no tempo no céu na amplidão nas coisas
 Que eu toco como olhar de meu irmão.

Eu sinto no ar a presença da cruz de onde procede o
 amor
 de jesus e enquanto durar a graça do pai, cobrir
 toda
 Terra este amor ainda vai.
