

Ozzy Osbourne - In My Life

Tom: C

Intro: 2x:

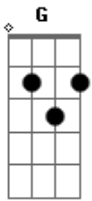

There are places I'll remember
 All my life, though some have changed
 Some forever, not for better
 Some have gone, and some remain
 All these places had their moments
 With lovers and friends, I still can recall
 Some are dead and some are living
 In my life, I've loved them all
 (intro x2)
 But of all these friends and lovers

There is no one compares with you
 And these memories lose their meaning
 When I think of love as something new
 Though I know I'll never lose your affection
 For people and things that went before
 I know I'll often stop and think about them
 In my life, I'll love you more
 (intro x2)
 Though I know I'll never lose your affection
 For people and things that went before
 In my life, I'll love you more
 (intro x2)
