

Ozzy Osbourne - Pictures Of Matchstick Men

Tom: G

When I look up to the skies
 I see your eyes a funny kind of yellow
 I rush home to bed I soak my head
 I see your face underneath my pillow
 I wake next morning tired still yawning
 See your face come peaking through my window

Pictures of matchstick men and you
 Mirages of matchstick men and you
 All I ever see is them and you

(guitar intro again)

Bb Bb

Windows echo your reflection
 When I look in their direction gone
 When will this haunting stop
 Your face it just wont leave me a lone

Pictures of matchstick men and you
 Mirages of matchstick men and you
 All I ever see is them and you

You in the sky you with this guy you make men cry you lie
 You in the sky you with this guy you make men cry you lie

(F C G D)

(guitar intro only first part)
