

Ozzy Osbourne - Shot in The Dark

tom:

Bbm (forma dos acordes no tom de Bm)

Afinação: Eb Ab Db Gb Bb Eb

Bm7 B2 Bm7 B2

Out on the street, I'm stalking the night

I can hear my heavy breathing

Paid for the kill but it doesn't seem right

Something there I can't believe in

Voices are calling from inside my head

I can hear them, I can hear them

Vanishing memories of things that were said

They can't try to hurt me now

But a shot in the dark

One step away from you

Just a shot in the dark

Always creeping up on you

Alright

Taught by the powers that preach over me

I can hear their empty reason

I wouldn't listen I learned how to fight

I opened up my mind to treason

But just like the wounded and when it's too late

They'll remember, they'll surrender

Never a care for that people who hate
Underestimate me now

But a shot in the dark

One step away from you

Just a shot in the dark

Always creeping up on you

Alright

But just like the wounded and when it's too late

They'll remember, they'll surrender

Never a care for the people who hate

Underestimate me now

But a shot in the dark

One step away from you

Just a shot in the dark

Always creeping up on you

Alright

Just a shot in the dark

Just a shot in the dark

Just a shot in the dark

Just a shot in the dark

Acordes
