

# P Barros - Lado de Dentro

tom:

Intro: D D Bm7 D  
D D Bm7 D7

Perdido pela rua, cabeça na Lua, Lua do desejo

Esqueço a Lua, olho pro lado e vejo

Alguém pra quem posso servir meu grande amor

Com a beleza da Lua

Uma beleza de cair o queixo

Mas, outro alguém aproveitou o ensejo

E, no meu desleixo, carregou pra lá

Lado de dentro

Eu não sei qual é a do lado de fora

É tanto amor que chega e vai embora

E lá no céu, a Lua tenta me ajudar

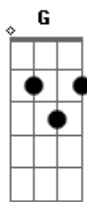

Lado de dentro

Se olho pro lado, vejo, estou sozinho

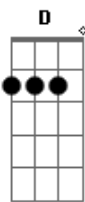

Mas é que pode ter, em meu caminho

Quem mais precise desse imenso amor
