

# Pablo Vittar - The Girls (part. Iggy Azalea)

tom:

Intro: E Gbm E Dbm

[Refrão]

It's the girls against the world these days

It's the world against the girls these days

Even?girls?against the girls?these days

But all the girls, all?the girls, all the girls gonna be okay

[Primeira Parte]

I could be a bitch and a beast

I could be a witch, nothin' sweet

I could be your blue jean dream

Or I could be a rude guillotine

If you ain't comin' correct, know that shit gettin' addressed

I might just come to collect in my heels and a dress

Caution, I be flossin', bossin', Rick Ross-in'

You look exhausted, I'm awesome

I'm sorry, not sorry, you lookin' real salty

My shape like a Barbie, I kill shit, no warning

Wait, I don't need a reminder

But mirror on the wall, won't you tell me who the finest?

It's Iggy, I'm the one who they envy

They watch me so much, I should prolly win an Emmy, Iggy

[Ponte]

Put the love in the front and the hate in the back, yeah

Put the love in the front and the hate in the back, yeah

Put the love in the front and the hate in the back, yeah

Put the love in the front and the hate in the back, yeah

Put the love in the front and the hate in the back, yeah

[Segunda Parte]

If I speak my mind, I lose money

If I cross your line, you take from me

So I say I'm fine when it's ugly

Throw out all my dirt, you get muddy

Why the real girl gotta be the bad guy?

'Cause the truth hits hard, that's a black eye

You must not want to hear my opinion

Twist my words when I say how I'm feelin'

Hide my tears under your glass ceiling

All your fears wrapped up in my linen

I wash it, the world is sick, cold and nauseous

Oh shit, they sell the dream like it's flawless

Yeah, and I bought the lies with the Lexus

Damn, I'm just as surprised as the next bitch

[Refrão]

It's the girls against the world these days

It's the world against the girls these days

Even?girls?against the girls?these days

But all the girls, all?the girls, all the girls gonna be okay

It's the girls against the world these days

It's the world against the girls these days

Even?girls?against the girls?these days

Put the love in the front and the hate in the back, yeah

Put the love in the front and the hate in the back, yeah

Put the love in the front and the hate in the back, yeah

Put the love in the front and the hate in the back, yeah

[Terceira Parte]

Bad girls, live your life

Don't apologize (No)

Bad girls, don't play nice

Say what's on your mind (Mind)

Good girls are a lie

Like boys who take their time (Time)

So go, girl, live your life

Don't apologize (No)

[Refrão]

It's the girls against the world these days

It's the world against the girls these days

Even?girls?against the girls?these days

But all the girls, all?the girls, all the girls gonna be okay
