

Pablo Escobar - Beyond My Mind

tom:

The nights^{Am}
 Have been so long^F
 I said I was fine^E
 But I was wrong^G
 I'm afraid^{Am}
 Of something that I don't know^F
 I just wanna believe^G
 In better days^E
 Days that I will fly^{Am}
 To an endless world^F
 Beyond the skies^G
 Beyond my mind^E
 Days that I will fly^{Am}
 To an endless world^F
 Beyond the skies^E
 Beyond the skies^G

Beyond my mind^{Am}
 The nights^F
 Have been so long^E
 I said I would try^G
 To find a place to belong^{Am}
 I'm afraid^F
 Of something that I don't know^G
 I just wanna believe^E
 In better days^{Am}
 Days that I will fly^F
 To an endless world^G
 Beyond the skies^E
 Beyond my mind^{Am}
 Days that I will fly^F
 To an endless world^E
 Beyond the skies^G
 Beyond my mind
