

# Padre Zezinho - É Muito Jovem Minha Oração

Tom: C

Intro: Dm A7

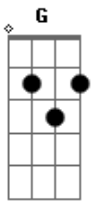

É muito jovem minha oração  
 É muito jovem minha oração  
 talvez não tenha maturidade  
 mas tem a verdade do meu coração  
 do meu coração de jovem cristão  
 do meu coração de jovem cristão.

Eu fiz da esperança o meu rumo certo

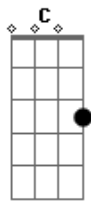

cheguei muito perto de onde eu sonhei  
 caí muitas vezes não posso mentir  
 mas posso dizer que as quedas que eu tive  
 não foram derrotas eu caí quando estive a subir.

Eu fiz da verdade meu porto e destino  
 e desde menino lutei pra ser eu.  
 errei muitas vezes, não posso negar  
 mas posso dizer tranquilo e seguro  
 plantei meu futuro vou colher meu pedaço de céu.
