

# Padre Zezinho - For a Little Girl

tom:

**D**

One day a little girl came after me **A7**  
 She said she had to have an interview **D**  
 A pencil and a paper in her hand **A7**  
 Those beautiful blue eyes open to life **D**  
 And looked into my eyes with friendly Love **D7 G**  
 To ask a question: Happiness? What is it? **D A7 D**

**D7 G**  
 You love as Jesus used to love **D**  
 You dream as Jesus used to dream **Bm A7**  
 You think as Jesus used to think **D**  
 You live as Jesus used to live

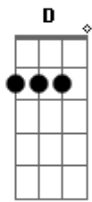

**D7 G**  
 You feel as Jesus felt for people **Gbm7**  
 You smile and cry the way he did it **Bm7 Em**

And by the end of day I tell you **A7 D (D7)**  
 That you'll be as happy as you want to be

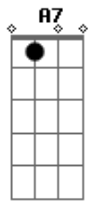

**D A7**  
 She heard what I had said and looked at me **D**  
 She said I was so nice and talked so well **A7**  
 She said she wondered if I could repeat **D**  
 But please I should talk easy, not too fast **D7 G**  
 And once again those beautiful blue eyes **D A7 D**  
 Were asking me happiness? What is it?

**D A7**  
 As soon as I had finished every word **D**  
 She kept on looking at her little book **A7**  
 And suddenly She jumped into my arms **D**  
 With tears in her beautiful blue eyes **D7 G**  
 And kissed me her good bye with tender mood **D A7 D**  
 And left me saying what I said to her
