Page CXVI - Joy

```
                              tom:
                 Cm

                                  Cm                        Cm
I?ve got the joy, joy, joy, joy down in my heart
Cm                  Fm
Down in my heart
V2
Cm                  Fm
Down in my heart
V2
                    Cm            Cm              Cm       Fm
And I?m so happy, so happy, so very happy
V1 (2X)
V2 (2X)
V3
Cm
And I can?t understand
Cm
And I can?t pretend
Cm                        Fm
That this will be alright in the end
Cm
So I?ll try my best
Cm
And lift up my chest
Cm           Fm     Cm Cm Cm     Fm
To sing about this?joy, joy,       joy
V4
Cm                             Cm    Cm            Fm
When peace like a river        attendeth my way
Cm                             Cm         Bb
When sorrows like sea billows roll
          Eb          Ab                              Fm
Bb
What ever my lot          thou has taught me to say
       Eb            Ab                   Eb
It is well, it is well, with my soul
```
