

# Pagode da SN - Camera Lenta

Tom: D

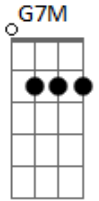

Calculei errado, era na bochecha  
 Foi meio de lado, mas pude sentir  
 Uma coisa estranha, foi me dominando  
 Me dizendo para, tem alguma coisa ai  
 E se agora eu penso  
 Toda hora nisso  
 Como que o cantinho  
 Da sua boca me pegou?  
 Vou mirar certinho

Pra acertar o caminho  
 Minha boca na sua boca  
 No final dá show  
 Foi só 10%, quero mais 90  
 Pra ver se esquenta  
 Pra ver se esquenta  
 Um beijo ardente, com sabor pimenta  
 Em camera lenta  
 Camera lenta
