

# Pagode da SN - Camera Lenta

Tom: **D**

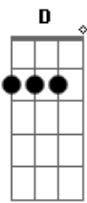

**A**  
 Calculei errado, era na bochecha  
**Gbm** **Bm**  
 Foi meio de lado, mas pude sentir  
**G** **Gbm**  
 Uma coisa estranha, foi me dominando  
**C**  
 Me dizendo para, tem alguma coisa ai  
**G**  
 E se agora eu penso  
**G**  
 Toda hora nisso  
**Gbm**  
 Como que o cantinho  
**Bm**  
 Da sua boca me pegou?  
**G**  
 Vou mirar certinho

**C**  
 Pra acertar o caminho  
**A**  
 Minha boca na sua boca  
  
 No final dá show  
  
**G** **G**  
 Foi só 10%, quero mais 90  
**Gbm**  
 Pra ver se esquenta  
**D** **D7**  
 Pra ver se esquenta  
**G** **G**  
 Um beijo ardente, com sabor pimenta  
**Gbm**  
 Em camera lenta  
**D7**  
 Camera lenta  
  
 ( **G** **Gbm** **Em** **A** )
