

# Pain of Salvation - Sisters

tom:

Intro: Dm C Bb Dm

Bb Gm Dm F  
When all are dizzy and happy from too much wine  
Bb Gm Dm F  
I leave the party behind  
Bb Gm Dm F  
To walk alone with my thoughts and this spinning mind  
Bb Gm  
Through this cold night  
A  
But there she stands

Dm Am  
And she walks like you  
Dm Am  
And she smiles almost like you  
F C G G  
A child of the wild just like you

(Yes)  
( Dm C Bb )

Bb Gm Dm F  
For a second, I think I get a glimpse  
Bb Gm Dm F  
Of the real her behind  
Bb Gm Dm F  
She's warm and fragile with smiles that reach to her eyes  
Bb Gm  
For just this moment  
A  
A change so sublime

Bb C Dm C Bb  
If she'd looked me deep into my eyes and softly asked me to  
Bb C Dm C Bb  
I'd be in her bed and in her flesh and waste the life I  
knew  
Bb C Dm C Bb  
So I hold my breath and close my eyes and focus on the  
wine  
Bb C Dm C Bb  
Let this trembling moment pass us by, so I could say goodnight

Bb Gm Dm F  
But then, an impulse, I almost touch her face  
Bb Gm Dm F  
Before I pull back my hand.  
Bb Gm Dm F

And we get nervous, we laugh and she spills her wine  
Bb Gm  
Both so awkward  
A  
For what's on our mind

Dm Am  
And she talks like you  
Dm Am  
And she smells almost like you  
F C G G  
A child of the wild just like you  
Dm Am  
But she's not all you  
Dm Am  
Even strives not to be you  
F C G G  
Just like every sister would do

Gm Dm  
And perhaps it's the want  
Gm Dm  
Or that you're in her eyes  
F C G G  
But I want her this one single time  
(Just this one time)  
( Dm C Bb )

Bb C Dm C Bb  
If she'd looked me deep into my eyes and softly asked me to  
Bb C Dm C Bb  
I'd be in her bed and in her flesh and waste the life I  
knew  
Bb C Dm C Bb  
So I hold my breath and close my eyes and focus on the  
wine  
Bb C Dm C Bb  
Let this trembling moment pass us by, and then we'll say  
goodnight

Dm C Bb  
And if I'd look into her eyes and softly asked her to  
Bb C Dm C Bb  
She would give herself and give her flesh, and waste the life  
she knew  
Bb C Dm C Bb  
So we hold our breaths and close our eyes and take a sip  
of wine  
Bb C Dm C  
But this thirst has emptied every glass,  
Bb Gm  
and we should say goodnight  
Dm  
God, help me say goodnight
