

Paixão Côrtes - Cantando Um Chote

Tom: F

F Gm7 C7 F Dm7 Gm7 C7 F

(Eu vou cantar, cantar é bom, um chote um tom

Que seja alma e harmonia

Se perguntar pra que cantar

Vou responder e assim dizer, o chote é bom)

Pra se cantar uma canção de amor

Pra se dançar assim bem marcadinho

Pra espantar a tristeza o chote é bom

Se bem juntinho ainda mais

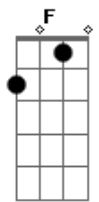

Não tem calo nem dedo inchado apertando o pé

Um chotezito bem marcado que beleza é

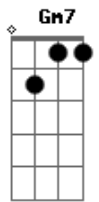

Dança João, Dança Maria, Chico, Pedro e Terezinha

E solte a Gaita Zé
