

Pakato do Cavaco - Bairro da Urca

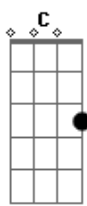

Tom: C

O belo bairro da Urca tem o ruído do mar
 Que bate nas pedras que também enfeitam aquele lugar
 Com lindas pessoas, falando em canções o rei mora lá

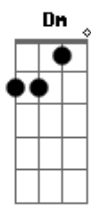

O Cristo contempla, os barcos navegam levando quem pode desfrutar

De um por do sol, daquela mureta charmosa que há
 Aos pés do Pão de Açúcar e do Morro Cara de Cão
 Da ?Cidade Velha?, Rio de Janeiro a minha paixão
 Um banho na Praia Vermelha, caminho de Estácio de Sá
 O mundo se encontra, a vista encanta pra gente voltar
 Um banho na Praia Vermelha, caminho de Estácio de Sá
 O mundo se encontra, a vista encanta pra gente voltar
