

Pakato do Cavaco - Sonho Tão Real

Tom: D

Pode entrar que a porta tá aberta e a chave do meu coração
deixo com

Você

Acenda a luz, desfaça as malas pendure as roupas e fique à
vontade

Pelo seu sorriso trouxe pra gente a felicidade

E na sutileza do amanhecer terá meu carinho quando despertar

Que o sonho da gente seja tão real tal qual desejamos há um
tempo atrás

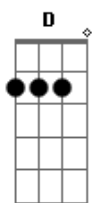

Sabemos que amar nunca é demais

A mais sensível dama por quem me apaixonei

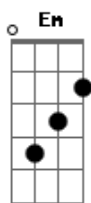

Pra eu redescobrir o amor já deu tudo certo

Façamos assim sou eu pra você e você pra mim
