

Palace - It's Over

Tom: B

Gb
Safe to say their love is over
Gb
It's true I know that life goes on and on
Gb
The more I've seen my foundations bleeding
Gb
The weaker I am from my roots to my heart

Gb Gb Gb
It's over, it's over, it's over, it's over, it's over, it's over, it's over, it's over

E Gb
I'm running out of time
E Gb
Eventually they will both be just fine
E E D Gb
But father's wept, and my mother's crying
Gb
I am the middle man and my strength is trying
E B D Gb
For the best for them, I'll be straight up praying
E Gb
Nothing left now except connections failing

Gb B Gb
It's over, it's over, it's over, it's over, it's over, it's over,
B D Gb
it's over, it's over, it's over, it's over, it's over, it's over,

it's over, it's over, it's over

Take me back

It's all I need

You are the air that I breathe

I am the bullet, you are the gun

We are the moon above the sun

If we'd be together then you'd take my name **E**
If we'd be forever then I'll take the blame **Cm D**
Gb
I am my father's son right to my bones

Stole my mother's eyes in the blue stones

Gb B Gb
It's over, it's over, it's over, it's over, it's over, it's over,
Ebm D Gb
it's over, it's over, it's over, it's over, it's over, it's over,
