

Pale Waves - New Year's Eve

Tom: C

Maybe I left you
 But you were with your friends
 I tried to make a good impression
 But I failed again
 (C Am G Em)
 It was New Years Eve, there's too much noise
 I could barely hear my own voice
 I always said you were too shy
 But then I went off to cry
 I stopped so many times
 Blank faces passing me by
 I wish I never worn that white dress
 And you found me outside
 Looking like somebody died
 Thought my heart was coming out my chest
 I don't wanna be alone on New Years Eve
 Do you even wanna be with me?
 I don't wanna be alone on New Years Eve
 Do you even wanna be with me?
 I vaguely remember laughing with your best friend

And you used to tell me that she didn't like me
 Did you lie or did she pretend?
 I don't wanna be alone on New Years Eve
 Do you even wanna be with me?
 I don't wanna be alone on New Years Eve
 Do you even wanna be with me (be with me, be with me)?
 I think you're so kind
 And all I give you is such a terrible time
 And I fucked it, never forget
 The way you looked at me
 And I fucked it, never forget
 You're the best thing that's happened to me (me, me, me)
 I don't wanna be alone on New Years Eve
 Do you even wanna be with me?
 I don't wanna be alone on New Years Eve
 Do you even wanna be with me?
 Oh, I don't wanna be alone on New Years Eve
 You're the best thing that's happened to me
 I don't wanna be alone on New Years Eve
 You, you're the best thing that's happened to me
