

## **Pale Waves - Television Romance**

```
Tom: E
  Ε
Everyone's getting so high
Losing their minds
Looking for you
Looking for you
I don't even know what I'm doing here
Why don't you just tell me?
Cause I'd rather be lonely
You are so happy
Your heart is strange
       В
You wanna love me
  Dbm
But honey, that ain't okay
           E
You're not so heavenly
Not much a euphony
But in the morning, it might just change
Oh, baby, won't you stop it
You and I haven't got it
Television romance
Oh, baby, won't you stop it
                 Dbm
You and I haven't got it, got it
Television romance
Now I don't even know what to say to you
                  В
                          Dbm
I feel like you're getting to me
And I know that's what you're into
              В
Your face isn't enough (never enough)
To make me stay, stay, oh
Oh, baby, won't you stop it
You and I haven't got it
Television romance
