Dbm
Who are these people?
E A
I just woke up in my underwear
Dbm
No liquor left on the shelf
E A
I should probably introduce myself
Dbm
You shoulda' seen what I wore
E A
I had a cane and a party hat
Dbm
I was the king of this hologram

E A
Where there's no such thing as getting out of hand
Dbm
Memories tend to just pop up
E A
Drunk pre-meds and some rubber gloves
Dbm
Five-thousand people with designer drugs
E
Don't think I'll ever get enough
A
(Don't think I'll ever get enough)
Dbm

Dbm Abm
Champagne, cocaine, gasoline
A B
And most things in between
Dbm Abm
I rode the city in a shopping cart
A B
A pack of camels and a smoke alarm
Dbm Abm
This night is heating up
A B
Raise hell and turn it up
Dbm Abm
Saying "If you go on you might pass out in a drain pipe"
A
Oh yeah
Don't threaten me with a good time

A Ab
It's a hell of a feeling though -
Dbm A
It's a hell of a feeling though
Dbm
Alright, alright

A Ab
It's a hell of a feeling though -
Dbm A
It's a hell of a feeling though

Dbm
What are these footprints?
E A
They don't look very human-like
Dbm
Now I wish that I could find my clothes

E A
Bedsheets and a morning rose
Dbm
I wanna wake up

E A
Can't even tell if this is a dream
Dbm
How did we end up in my neighbours pool
E A
Upside-down with a perfect view?
Dbm
Bought a bar at the speed of sound
E A
Fancy feet dancing through this town
Dbm
Lost my mind in a wedding gown
E
Don't think I'll ever get it now
A
(Don't think I'll ever get it now)

Champagne, cocaine, gasoline

A B
I'm a scholar and a gentleman
Dbm B
And I usually don't fall when I try to stand
A B
I lost a bet to a guy in a Chiffon skirt
Dbm
But I make these high heels work
A B
I told you time and time again
Dbm B
I'm not as think as you drunk I am
A
And we all fell down

When the sun came up
Ab7
I think we've had enough
