Dbm  
Alright, Alright

It's a hell of a feeling though

Dbm A

Dbm A  
It's a hell of a feeling though

Dbm  
Who are these people?

E A  
I just woke up in my underwear

Dbm  
No liquor left on the shelf

E A  
I should probably introduce myself

Dbm  
You shoulda' seen what I wore

E A  
I had a cane and a party hat

Dbm  
I was the king of this hologram

E A  
Where there's no such thing as getting out of hand

Dbm  
Memories tend to just pop up

E A  
Drunk pre-meds and some rubber gloves

Dbm  
Five-thousand people with designer drugs

E  
Don't think I'll ever get enough

A  
(Don't think I'll ever get enough)

Dbm

Dbm Abm  
Champagne, cocaine, gasoline

A B  
And most things in between

Dbm Abm  
I rode the city in a shopping cart

A B  
A pack of camels and a smoke alarm

Dbm Abm  
This night is heating up

A B  
Raise hell and turn it up

Dbm Abm  
Saying "If you go on you might pass out in a drain pipe"

A  
Oh yeah

Don't threaten me with a good time

A Ab  
It's a hell of a feeling though

Dbm A  
It's a hell of a feeling though

Dbm  
Alright, alright

A Ab  
It's a hell of a feeling though

Dbm A  
It's a hell of a feeling though

Dbm  
What are these footprints?

E A  
They don't look very human-like

Dbm  
Now I wish that I could find my clothes

E A  
Bedsheets and a morning rose

Dbm  
I wanna wake up

E A  
Can't even tell if this is a dream

Dbm  
How did we end up in my neighbours pool

E A  
Upside-down with a perfect view?

Dbm  
Bought a bar at the speed of sound

E A  
Fancy feet dancing through this town

Dbm  
Lost my mind in a wedding gown

E  
Don't think I'll ever get it now

A  
(Don't think I'll ever get it now)

A B

Dbm B  
I'm not as think as you drunk I am

And we all fell down

When the sun came up
