[Primeira Parte]

BbM7
All my life been hustling
And tonight is my appraisal
'Cause I'm a hooker selling songs
And my pimp's a record label
This world is of full demon stocks
And pounds of bible traders
So I do the deed, get up and leave
I climb, I ran a sadist, yeah

[Pré-Refrão]

BbM7
Are you ready for the sequel?
Ain't you ready for the latest?
In the garden of evil
I'm gonna be the greatest
In a golden cathedral
I'll be praying for the faithless
And if you lose, boo hoo

[Refrão]

Hey look Ma, I made it
Hey look Ma, I made it
Everything's comin' up aces, aces
If it's a dream
Don't wake me, don't wake me
I said hey look Ma, I made it

[Segunda Parte]

BbM7
Friends are happy for me
Oh they're honeysuckle phonies
Then they celebrate my medals

Or they wanna take my trophies
Some are loyal soldiers while these
Other thrones are rosy
And if you never know who you can trust
Then trust me you'll be lonely, oh

[Pré-Refrão]

Hey look Ma, I made it
Hey look Ma, I made it
Everything's comin' up aces, aces
If it's a dream
Don't wake me, don't wake me
I said hey look Ma
I made it, I made it
I said hey look Ma
I made it, I made it
I see it, I want it
I take it, take it
If it's a dream
Don't wake me, don't wake me
I said hey look Ma, I made it
(Mama best believe it)
Hey look Ma, I made it
(Mama best believe it)
(Think I must be dreamin')
Hey look Ma, I made it
(What a work we needed)
(Mama best believe it)
Hey look Ma, I made it
(Mama best believe it)
(Think I must be dreamin')
Hey look Ma, I made it
