

Panic! At The Disco - I Have Friends In Holy Spaces (acústica)

Tom: G

You remind me of a former love that I once knew
 And you carry a little speech with you
 We were holding hands walking through the middle of the street
 It's fine with me, I'm just taking in the scenery

You remind me of a few of my famous friends
 Well, that all depends what you qualify as friends
 You remind me of a few of my famous friends
 Well, that all depends what you qualify as friends

Take a chance, take your shoes off, dance in the rain
 And I was flashing around and the news spread all over town
 I'm not complaining that it's raining, I'm just saying that I like it a lot
 More than you think, if the sun would come out and sing with me

You remind me of a few of my famous friends
 Well, that all depends what you qualify as friends
 You remind me of a few of my famous friends
 Well, that all depends what you qualify as friends
