

# Panic! At The Disco - She Had The World

Tom: A

(intro 2x) D E A D D E A

She held the world upon a string  
 But she didn't ever hold me  
 Spun the stars on her fingernails  
 But it never made her happy  
 Cause she couldn't ever have me  
 She said she won the world at a carnival  
 But she could never win me  
 Cause she couldn't ever catch me  
 I, I know why  
 Because when I look in her eyes  
 I just see the sky  
 When I look in her eyes  
 Well I, just see the sky  
 I don't love you I'm just passing the time  
 You could love me if I knew how to lie  
 But who could love me?  
 I am out of my mind  
 Throw an old line out to sea  
 To see if I can catch a dream

The sun was always in her eyes  
 She didn't even see me  
 But that girl had so much love  
 she'd wanna kiss you all the time  
 Yeah, she'd wanna kiss you all the time  
 She said she won the world at a carnival  
 But I'm sure it didn't ruin her  
 Just made her more interesting  
 I'm sure it didn't ruin her  
 Just made her more interesting  
 I, I know why  
 Because when I look in her eyes  
 I just see the sky  
 When I look in her eyes  
 Well I, I just see the sky  
 I don't love you I'm just passing the time  
 You could love me if I knew how to lie  
 But who could love me?  
 I am out of my mind  
 Throw an old line out to sea  
 To see if I can catch a dream
