Riff de Guitarra:

Intro: dução de cordas  
Riff 2x

When the moon  
Fell in love  
With the sun  
All was golden in the sky  
All was golden when the day met the night  
[ver a progressão em D no final da página]  
When the sun found the moon  
She was drinking tea in a garden  
Under the green umbrella trees  
In the middle of summer  
When the moon found the sun  
He looked like he was barely hanging on  
But her eyes saved his life  
In the middle of summer  
In the middle of summer  
All was golden in the sky  
All was golden when the day met the night [2x]  
Summer  
All was golden when the day met the night  
So he said: "would it be alright  
If we just sat and talked for a little while  
If in exchange for your time

I give you this smile?"  
So she said: "that's ok,  
As long as you can make a promise  
not to break my little heart  
or leave me all alone  
In the summer"  
Well he was just hanging around  
Then he fell in love  
And he didn't know how  
But he couldn't get out  
Just hanging around  
Then he fell in love  
In the middle of summer  
All was golden in the sky  
All was golden when the day met the night [2x]  
Summer
