

# Panic! At The Disco - When The Moon Met The Sun

Tom: C

All was <sup>G</sup>golden in the <sup>E</sup>sky <sup>Am</sup>  
All was <sup>G</sup>golden when the <sup>E</sup>day met the <sup>Am</sup>night <sup>G</sup>

When the <sup>G</sup>Sun found the <sup>Am</sup>Moon  
She was drinking <sup>Em</sup>tea out in a <sup>G</sup>garden  
Under the <sup>Am</sup>green umbrella <sup>Em</sup>trees  
In the <sup>G</sup>middle of summer

When the <sup>G</sup>Moon found the <sup>Am</sup>Sun  
He looked like he was <sup>Em</sup>barely hanging <sup>G</sup>around  
While her <sup>Am</sup>eyes saved his <sup>Em</sup>life  
In the <sup>G</sup>middle of summer

In the <sup>G</sup>middle of <sup>Em</sup>summer <sup>Am</sup>  
In the <sup>G</sup>middle of <sup>Em</sup>summer <sup>Am</sup>  
In the <sup>G</sup>middle of <sup>Em</sup>summer <sup>Am</sup>  
In the <sup>G</sup>middle of <sup>Em</sup>summer (oh oh oh oh)

<sup>G</sup>Well, he was just hanging around  
Then he <sup>Am</sup>fell in love  
And he didn't know how <sup>Em</sup>  
But he couldn't get out <sup>G</sup>  
Just hanging around and he <sup>Em</sup>fell in love <sup>Am</sup>

In the <sup>G</sup>middle of <sup>Em</sup>summer <sup>Am</sup>  
In the <sup>G</sup>middle of <sup>Em</sup>summer <sup>Am</sup>  
In the <sup>G</sup>middle of <sup>Em</sup>summer (oh oh oh oh)

<sup>E</sup> <sup>G</sup> <sup>Am</sup>

When the Moon fell in love with the Sun  
All was <sup>G</sup>golden in the <sup>Em</sup>sky <sup>Am</sup>  
All was <sup>G</sup>golden when the <sup>Em</sup>day met the <sup>Am</sup>night <sup>G</sup>

So he <sup>G</sup>said, "Would it be <sup>Am</sup>alright,  
If we just sat and talked for a little while? <sup>G</sup>  
If in <sup>Am</sup>exchange for your <sup>Em</sup>time  
I give you this <sup>G</sup>smile"

So she <sup>G</sup>said, "Hey that's <sup>Am</sup>ok,  
As long as you can make a <sup>Em</sup>promise not to <sup>G</sup>break  
My little heart and <sup>Am</sup>  
Leave me all alone  
In the <sup>G</sup>summer"  
(solo)

<sup>G</sup>Dreamed this dream when <sup>Am</sup>seventeen  
In a garden under green umbrella trees <sup>G</sup>  
While we <sup>Am</sup>dreamed through the wildest <sup>Em</sup>dreams  
In the <sup>G</sup>middle of <sup>G</sup>summer <sup>Em</sup> <sup>Am</sup>

In the <sup>G</sup>middle of <sup>Em</sup>summer <sup>Am</sup>  
In the <sup>G</sup>middle of <sup>Em</sup>summer <sup>Am</sup>  
In the <sup>G</sup>middle of <sup>Em</sup>summer (oh oh oh oh) <sup>Am</sup>

<sup>E</sup> <sup>G</sup> <sup>Bbm</sup>  
When the Moon fell in love with the Sun
