When the ^GMoon found the ^{Am}Sun
 He looked like he was ^{Em}barely hanging ^Garound
 While her ^{Am}eyes saved his ^{Em}life
 In the ^Gmiddle of summer

In the ^Gmiddle of ^{Em}summer
 In the ^Gmiddle of ^{Em}summer
 In the ^Gmiddle of ^{Em}summer
 In the ^Gmiddle of ^{Em}summer (oh oh oh oh)

 If we just sat and talked for a little while? ^G
 If in exchange for your time ^{Em}
 I give you this smile" ^G

 As long as you can make a promise not to break ^{Em} ^G
 My little heart and
 Leave me all alone ^{Am}
 In the ^Gsummer"

 In a garden under green umbrella trees ^G
 While we ^{Am}dreamed through the wildest dreams ^{Em}
 In the ^Gmiddle of ^Gsummer ^{Em} ^{Am}
