Paolo Nutini - Candy

Tom: G
Intro: Am   Em

```
        Am
I was perched outside in the pouring rain
Em
Trying to make myself a sail
            G
Then I'll float to you my darlin'
         D
With the evening on my tail
                Am
Although not the most honest means of travel
    Em
It gets me there nonetheless
        G
I'm a heartless man at worst, babe
        D
And a helpless one at best

            Am
Darling I'll bathe your skin
            Em
I'll even wash your clothes
            G                    D
Just give me some candy, before I go
                Am
Oh, darling I'll kiss your eyes
                Em
And lay you down on your rug
            G
Just give me some candy
        D
After my heart

Etc.

Oh I'm often false explaining
But to her it plays out all the same
```

```
and although I'm left defeated
It get's held against my name
I know you got plenty to offer baby
But I guess I've taken quite enough
Well I'm some stain there on your bedsheet
You're my diamond in the rough

Darling I'll bathe your skin
I'll even wash your clothes
Just give me some candy
before I go
Oh, darling I'll kiss your eyes
And lay you down on your rug
Just give me some candy
After my heart

Instrumental: Am Em
            G                            D
I know that there´re writings on the wall

But Darling I'll bathe your skin
I'll even wash your clothes
Just give me some candy
After my heart

          C                     G
Oh I'll be there waiting for you
C                   G
I'll be there waiting for you
C                   Em
I'll be there waiting for you
C                     G
I'll be there waiting for you
C                   Em
I'll be there waiting for you
          C                   G
Oh I'll be there waiting for you
C                   Em
I'll be there waiting for you
```
