

# Paolo Nutini - High Hopes

tom:  
 Capotraste na 6ª casa  
 Gb (forma dos acordes no tom de C)

My hopes are high but my eyes can't  
 Believe what they see  
 Give me something to believe  
 Give me something to believe  
 I got lucky in life and had plenty to eat and  
 I saw this world as one big pool of opportunity  
 But there's too much mind corruption  
 Too little remedy (or that's how it seems to me)  
 Yeah we need a moral education to  
 Set the young minds free  
 So let us teach what we can and accept what we can't  
 Impart some of the wisdom from that tried and tested man  
 There's no harm in being wrong you know no

In fact to me, it's common ground - yeah  
 So take that feather from you cap sir  
 And pass that feather around

My hopes are high but my eyes can't  
 Believe what they see  
 Give me something to believe  
 Give me something to believe

[Solo] C D F G C

My hopes are high  
 Give me something to believe

My hopes are high  
 Give me something to believe

My hopes are high  
 Give me something to believe
