

Papagaio Sabido - Oxe

Tom: E
Intro: D A7 E7

Laiá

Se deixar ser bem o que sou
Talvez eu possa te dar mais do que o amor
E pra Bahia o senhor do Bonfim
Dirá que agora serei Salvador

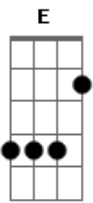

[Refrão]

A terra da felicidade
Assim terá a batida
De um coração

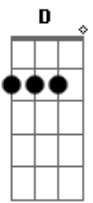

Da cidade mulher
Com a fé de Sebastião
Feijão carioca com acarajé
Na dança da cumplicidade
É dito que a liberdade
Melhora o bailado de pé
E o dois pra lá dois pra cá
Oxe! Vai como tá
Para o que der e vier
