

Parachute - Blame It On Me

tom:

G

C

You can blame it on the small things

E

You can blame it on your heartbeat

G

The wrong day

C

You can blame it on your regrets

E

And all your little secrets

G

You keep them

C

You can show me all your old scars

E

That you got from all the old wars

G

[Pré-Refrão]

D

You fought so you could tell me

E

"I'm not the one who needs the saving"

C

[Refrão]

D

You can say what you want but it's only getting better

C

It's alright, oh baby it's alright

D

You can try to deny but it's only getting better

E

It's alright, oh baby it's alright now

C

You think it feels right but you don't know

D

You've got everything you wanted but you're not sure

E

You can say what you please if it's all that you need

C

To believe it's getting better, you can blame it on me

C

There's a million ways to hold on

E

To everything that goes wrong, the sad songs

G

Oh but all these different reasons

C

Are just a million different ways to say the same old thing

E

Now tell me, "I'm not the one who needs the saving"

G
