tom:

G

You can blame it on the small things C G  
 You can blame it on your heartbeat E G  
 The wrong day  
 You can blame it on your regrets C G  
 And all your little secrets E G  
 You keep them  
 You can show me all your old scars C G  
 That you got from all the old wars E G  
 [Pré-Refrão]

D E  
 You fought so you could tell me  
 "I'm not the one who needs the saving" C  
 [Refrão]

D E  
 You can say what you want but it's only getting better  
 It's alright, oh baby it's alright C  
 You can try to deny but it's only getting better D E  
 It's alright, oh baby it's alright now C  
 You think it feels right but you don't know D E  
 You've got everything you wanted but you're not sure C  
 You can say what you please if it's all that you need D E  
 To believe it's getting better, you can blame it on me C  
 There's a million ways to hold on G  
 To everything that goes wrong, the sad songs E G

Oh but all these different reasons  
 Are just a million different ways to say the same old thing C G  
 Now tell me, "I'm not the one who needs the saving" E G  
 You can say what you want but it's only getting better D E  
 It's alright, oh baby it's alright C  
 You can try to deny but it's only getting better D E  
 It's alright, oh baby it's alright now C  
 You think it feels right but you don't know D E  
 You've got everything you wanted but you're not sure C  
 You can say what you please if it's all that you need D E  
 To believe it's getting better, you can blame it on me C  
 You can blame it on me E C G  
 You can blame it on me E C G  
 You can blame it on me D
