

Parachute - Kiss Me Slowly

Tom: **A**
Intro: **Gbm A D E**

Gbm A
Stay with me, baby stay with me,
D E
Tonight don't leave me alone.
Gbm A
Walk with me, come and walk with me,
D E
To the edge of all we've ever known.
Gbm
I can see you there with the city lights,
A
Fourteenth floor, pale blue eyes.
D E
I can breathe you in.
Gbm
Two shadows standing by the bedroom door,
A D
No, I could not want you more than I did right then,
E
As our heads leaned in.

D
Well, I'm not sure what this is gonna be,
A
But with my eyes closed all I see
Gbm
Is the skyline, through the window,
E
The moon above you and the streets below.
D
Hold my breath as you're moving in,
A
Taste your lips and feel your skin.
Gbm E
When the time comes, baby don't run, just kiss me slowly.

(Intro)

Gbm A
Stay with me, baby stay with me,
D E
Tonight don't leave me alone.
Gbm
She shows me everything she used to know,
A
Picture frames and country roads,
D E
When the days were long and the world was small.

Gbm
She stood by as it fell apart,
A
Separate rooms and broken hearts,
D E
But I won't be the one to let you go.

D
Well, I'm not sure what this is gonna be,
A

But with my eyes closed all I see
Gbm
Is the skyline, through the window,
E
The moon above you and the streets below.
D

A
Taste your lips and feel your skin.

(D A)

Gbm E
Don't run away...
D A
And it's hard to love again,
Gbm
When the only way it's been,
E
When the only love you know,

Just walked away...
D A
If it's something that you want,
Gbm
Darling you don't have to run,
E
You don't have to go ...

D A
Just stay with me, baby stay with me,

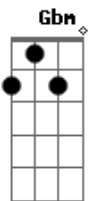

D
Well, I'm not sure what this is gonna be,
A
But with my eyes closed all I see
Gbm
Is the skyline, through the window,
E
The moon above you and the streets below.

A
But in this moment all I know
Gbm

The moon above you and the streets below. Baby, don't let go
D
Hold my breath as you're moving in,
A
Taste your lips and feel your skin.

When the time comes, baby don't run, just kiss me slowly.
